

JULY 2020

DEVOTIONAL & PRAYER JOURNAL

In the middle of the street and on each side of the river was the tree of life, which bore twelve fruits, each tree yielding its fruit every month. The leaves of the tree are for the healing of the nations. Revelation 22:2

We will never be able to plunge the depths of the mysteries of God and will continue our discoveries about Him into eternity. This thought excites me, there are so many facets of God and what we know now is a minuscule portion of what there is to discover. But discover we must, in the present and in our circumstances.

This month we will take a journey discovering what the names of God reveal about His character and how knowing His character helps us to develop a fuller picture of who God is.

Not knowing the character of God distorts our view of him and holds us back from enjoying a full, well-rounded relationship with Him, because then we tend to measure Him from an earthly perspective, from our earthly relationships.

This month I sensed we really need to revisit God's names and I believe you will be blessed out of your socks and receive wonderful revelation about the character and nature of God during this time.

May you sense the presence of God as you receive the revelation you need through this month.

Shalom

Nikki
